

David Teems

Regional Property Manager – Pawleys Island and Myrtle Beach, South Carolina

Profile

A 40-year resident Georgetown County, David has been part of the local real estate, vacation rental, and property management business for almost 30 years. His experience, earned over many years as the director of vacation and property management companies, ranges from asset development strategies to marketing and tenant relations. David believes he is blessed with the opportunity to live and work in a great community, so he makes it a priority to serve and give back; he is active in multiple state and local boards and committees.
