

Jim Stoneham

Regional Property Manager – Triangle, North Carolina

Profile

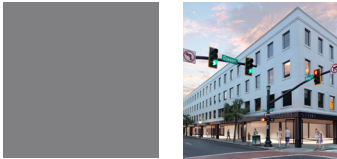

Mr. Stoneham currently manages 500,000 square feet of office, industrial flex, and retail space for ACPM, primarily in the Raleigh, NC, market. Notable projects include the takeover of a 104,000-square-foot office building and managing a series of major improvements to the building. Prior to joining the ACPM team, he had a 30+ year career in various operations and business development roles in the logistics industry, including owning and serving as president of BuckStone, Inc. He earned his undergraduate degree at the University of North Carolina at Wilmington (UNCW).
